

ALERT TO SELECTED GOVERNOR'S SCHOLARS AND THEIR PARENTS/GUARDIANS
REGARDING UPCOMING INFORMATION AND DOCUMENTS

Please be advised that tomorrow, May 7th, the GSP Office will send to selected 2020 Governor's Scholars an e-mail containing a Memo from the Executive Director regarding the 2020 GSP Community of Learners.

After the general introduction, the memo addresses the following aspects:

- a) Acceptance and Attendance / Notice of Non-Attendance (a form that Governor's Scholars and their Parents/Guardians need to complete by Wednesday, May 13th, 2020);
- b) The steps leading towards an on-site program;
- c) Explanations about other documents to be returned;
- d) A word about college scholarships with detailed explanations about next steps;

We ask that you read the entire Memo before completing and signing the document to be submitted by Wednesday, May 13th. Because your parents/guardians need to sign as well, it is advisable if you share with them the memo from our Executive Director.
