Dear Kentucky College/University Admissions Director:

The Governor’s Scholars Program exclusively invites Kentucky colleges and universities to attend our college fairs held on each of our three campuses this summer. Below are the event dates and locations.

Centre College campus:	Monday, July 15th	4:00 - 6:00 p.m.	Sutcliffe Hall
Bellarmino University campus:	Monday, July 22nd	4:00 – 6:00 p.m.	Frazier Hall
Morehead State University campus	Wednesday, July 24th	4:00 – 6:00 p.m.	ADUC Ballroom C

More than 1,020 rising seniors **from all over the state of Kentucky** will have the opportunity to visit with you during these three fairs. The fairs are specifically designed to give Kentucky institutions first exposure to some of Kentucky’s brightest seniors. The fairs will follow KASCAC and NACAC guidelines regarding use of multimedia equipment, drawing for prizes, or handouts of items other than printed recruitment materials. Electrical outlets will not be available.

Even though the administrative costs to organize these fairs have increased, the Program will maintain, as in the last fifteen years, the registration fee of \$100.00. This fee will also include light refreshments at each site. We recognize that some institutions will not be able to provide payment until the new fiscal year begins on July 1st. Should your institution be unable to provide payment with the registration, please contact Beth Carrier at 502-573-1618 so that we can make further arrangements. **Please make checks payable to the “Governor’s Scholars Program, Inc.”**

Please RSVP no later than Monday, July 8th in order to reserve your table (see attached form). An electronic copy of this information and the registration form will also be posted on the GSP website at gsp.ky.gov under Counselor’s. Should you have any questions, feel free to contact Beth Carrier by email at beth.carrier@gspky.org or phone: 502-573-1618.

We hope to see you at this year’s fairs,

Aristófan Cedeño
Executive Director
