

2017 Governor's Scholars Program Session Request

Complete only if you are requesting a specific session due to extenuating circumstances. Only valid requests will be considered. They are subject to approval by the committee.

Session requests are honored for reasons that are truly extenuating. The following reasons are not considered unique: conventions, conferences, camps, workshops, competitions, pageants, family vacations/reunions, or college preferences.

Leaves of absence are not permitted during the five-week session. Scholars will not be excused to attend concurrently scheduled programs such as the ones mentioned above. The Governor's Scholars Program considers it unethical and unfair to other participants for a scholar to accept a nomination knowing in advance that permission will be sought at a later date to be absent during the program. **Please note that requesting a specific session may affect your class choices. Not all subjects are offered on all campuses.**

Please provide your most reliable contact information in the instance the committee needs to speak with you.
