APPLY TODAY!

FOCUS AREA

Guide Scholars in developing ideas within a discipline.

- Support critical thinking and Scholar-led in-depth learning.
- Facilitate engaging projects and collaborative experiences.

GENERAL STUDIES

Develop innovative, interdisciplinary courses that challenge Scholars.

- Encourage creativity, problem-solving, and hands-on learning.
- Connect learning to real-world issues & community engagement.

LEADERSHIP SEMINAR

Partner with a Resident Advisor to facilitate small group discussions.

- Explore topics such as communication, leadership, and civic responsibility.
- Foster meaningful dialogue and personal growth.
